HOW CT IS FALLING SHORT IN SCHOOL COUNSELING

...of CT Schools have elementary school counselors

This means all students in CT do not have access to a school counselor

...out of 606 elementary schools have school counselors

Many of these elementary school counselors are providing services to multiple elementary schools

...provide no elementary school counseling programming (approx. 368 elem. schools)

*DRG Disparities exist...

*District Reference Groups

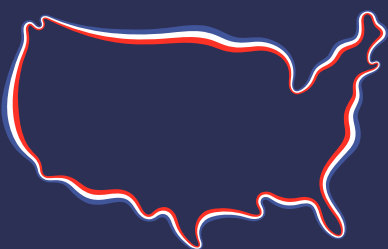

Of the 25%, student to counselor ratios range...

DRG I (891:1) DRG A (223:1)

This is an equity issue!

CT's Student to Counselor Ratios

CT falls to 37th in the Nation in student to counselor ratio 457:1 (2018-2019 data)

***CT was 32nd in 2017-18 data**
